*"Our TA Navigator is amazing! She has treated us with white glove service throughout our entire process. Her skill, knowledge and support made our policies and procedures exactly what we needed to best support the Latina immigrant community. Also, the HTC team was very open and understanding to the specific needs we were looking for to serve the Spanish speaking community and everyone came together to find resources in the language we needed. That was awesome!"*

- Sepa Mujer, FY21 OVC HT Grantee

*"The HTC's Office Hours, Café, and Communities of Practice calls have been really helpful to connect with other organizations providing similar services and keep up to date on best practices. They've given us great ideas for staff trainings and helped us dive deeper into ways we can support our staff."*

- Friends of Farmworkers d/b/a Justice at Work, FY20 OVC HT Grantee

*"Having the HTC TTA support was invaluable. They were eager and ready to answer any questions we had and facilitated meaningful conversations and connections with our grant monitor and other awardees!"*

FY21 OVC HT VS Grantee

*"Our TA Navigator created a structured space to connect about any questions our team had concerning our grant. She also provided valuable resources on program development and implementation and was available to provide support when it was needed. Her support was very appreciated!"*
